SIDE CHAIR

ARM CHAIR

"Grand scale best describes the swan ensemble. You'll beam with pride as you sit in the ambrosial finely crafted swan arm chair. Each chair is hand crafted as intricate in detail with 1/2" deep carved cups in the fluted back.

The artistry of natural wood combined with the wizardry of skilled craftsman make each piece of the swan collection a tresured heirloom. For enduring quality and superior durability, the swan chair legs may be ordered in solid metal. The hand finished metal and wood combination makes a stunning funiture masterpiece."
