

# DRAGONFLY STOOL

**Dimensions:** H 30" D 15" W 15"

**Designer:** Jay Payne

**Finishes:** Mint green and more

**Materials:** Painted or stained wood frame with upholstered seat

"Made of hardwood, the dragonfly stool is sturdy and comfortable with sleek contours reminiscent of the dragonfly. Originally hand painted, the dragonfly stool also may be ordered in a variety of stain finishes. The seat is made of high density foam covered in our standard dragonfly fabric with a braided rope welt or you may order without fabric. Seat heights vary according to your needs. Whether sitting at a breakfast counter, bar or high table, the dragonfly stool will be built to your exact needs."
